Easy to use - no buttons or switches, simply insert JUULpod into JUUL and draw indicator light communicates battery life and pull strength magnetic USB charger internal temperature regulation.

TECHNOLOGY & CHEMISTRY

Small battery with high discharge rate to accommodate ~200 puffs/charge juice & cartridge sponge wick system efficiently deliver full and consistent vapor coil temperature regulation delivers appropriate amounts of power during use.

Shipping Policy:

1. Items will be shipped within 24 hours during the business days after payment cleared. (Sunday & Holidays NOT excluded)
2. Items will be delivered to your Paypal address. Please confirm it is correct. Providing your phone number would be better, it is useful for couriers if your address is hard to look for or you are not there.
3. The tracking number will be given for the customer to check the shipping status online.
4. We are not responsible for any wrong or undeliverable addresses. We can't change the shipping address after the item has been sent out. Please verify and update your shipping address on PayPal during checkout.

US Shipping: 3-5 business days deliver

Payment Method:

PayPal Payments Must be from a verified PayPal account.

Warranty Policy:

1. Our products have 12 months warranty. A full refund can only be issued within 60 days.
2. If the return is due to the mistakes of buyers, for example, wrong purchase, no need of the batteries after transaction, or other artificial damages, the return shipping fee should be paid by the buyer.
3. We can't receive if buyer return by yourselves according to the address on shipping package. We won't solve such case and buyer should be responsible for the consequences. Please contact with us before return the item.

Contact us:

1. Any problem please contact me firstly, we make sure solve well and fast. please don't open case or leave negative feedback, thanks!

This is a private listing and your identity will not be disclosed to anyone except the seller.

Prop Juul- Plastic 3D Printed Fake Vape:

This is a nonfunctional replica of the Juul vaping device! It includes two holes at the top, which allows for air to flow through! From a short distance, it for a real device! Keep in mind, this is an all plastic, full scale replica of the Juul vaping device. It does not contain any electronic or nicotine products.
